INTRODUCTION

Dear Readers,

Assalāmu `alaikum wa Rahmatullāhi wa Barakātohū!

It is with immense gratitude and joy that we share with you the AlHuda Community Schools (ACS) Annual Report, a glimpse into our journey of hope, growth, and transformative education.

ACS is not just a school system; it is a lifeline for underprivileged children, built upon the values of faith, knowledge, and compassion. What began humbly in 2005, in a single room in Iqbal Town, Lahore, has now flourished into eight branches across Pakistan, a growth made possible only through the prayers, generosity, and unwavering support of people like you.

This report is not only a record of our milestones, but a heartfelt acknowledgment of the difference your partnership makes. Every contribution, every prayer, and every effort brings us closer to shaping brighter futures, one child, one classroom, one dream at a time.

With sincere appreciation,

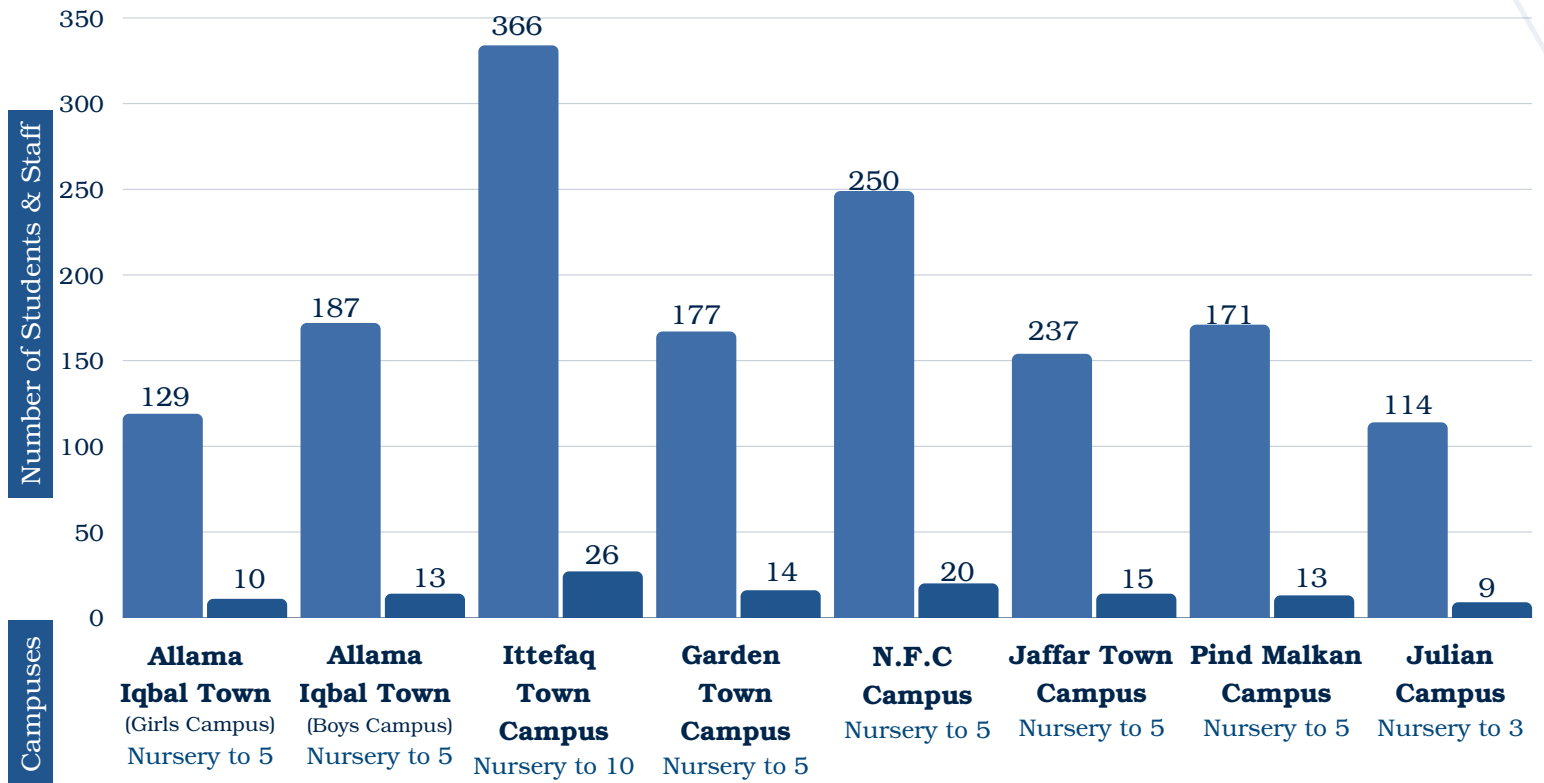

The ACS Team

Lighting the path of knowledge, Rooted in faith.

School Leadership Program 2024

ACS Schools in Lahore successfully conducted a 2-day School Leadership Program under the theme: **قَدْ أَفْلَحَ الْمُؤْمِنُونَ**
“Successful indeed are the believers.”

The program provided teachers with valuable guidance from Islamic scholars and motivational speakers, focusing on practical leadership skills, ethical decision-making, and strategies for fostering positive change within schools and communities. Through such programs, ACS continues to move beyond providing free education by nurturing educators who inspire, guide, and shape responsible Muslims for the betterment of the Ummah.

Books Distribution

On the first day of the new academic session 2024-25, ACS reaffirmed its commitment to an inclusive and equitable learning environment by distributing textbooks and learning materials to all students. This tradition ensures that every learner begins the year with essential resources, fostering academic success and a strong foundation for collective achievement.

Plantation Day

ACS Campuses observed Plantation Days throughout the year with indoor and outdoor planting activities, where students gained practical experience, fostered environmental awareness, and developed a sense of responsibility towards eco-friendly practices.

This initiative was further enriched through the generous support of the Al-Huda Social Welfare Department, who donated plants for the campaign.

Annual Result Day

The 2024 Annual Result Day at ACS Campuses celebrated students' achievements with appreciation prizes, recognising their hard work, dedication, and outstanding performance. Special commendations were awarded to those who excelled in behaviour, cleanliness, punctuality, and care for their books.

Speech Competition

In October, 2024, students from Nursery to Grade 5 across all ACS campuses participated in an inspiring Urdu Speech Competition. The event featured engaging speeches that showcased the students' confidence, articulation, and understanding of the language. The competition concluded with the distribution of trophies and certificates to the winners, celebrating their hard work and achievements.

Alḥamdulillāh, the event was a resounding success, fostering public speaking skills, moral values, and a love for learning among our young learners.

Ramadan Atta Distribution

During Ramadan, ACS distributed 10 kg Atta (flour) packs to over 1,400 deserving students across 8 locations in Pakistan. This initiative, facilitated by the Social Welfare Department of Al-Huda International Welfare Foundation, provided essential food supplies while fostering a spirit of compassion, gratitude, and community welfare.

Sunnahs of Eid

ACS Pind Malkan Campus conducted a pre-Eid-ul-Fitr assembly focusing on celebrating festivals in line with Islamic principles. The session emphasized Eid Sunnahs and the importance of beginning Eid day with Islamic values, encouraging students to share this understanding with their families and friends.

AIS Leaders Visit ACS

On July 21, 2024, AlHuda Community Schools (Pind Malkan & Julian) welcomed leadership teams from AIS and AIWF as part of their training program focused on outreach. Students enjoyed gift packs, engaging lessons, and activities, while teachers received training and mothers participated in a special Tarbiyah session.

The visit also gave leaders firsthand insight into local challenges such as employment, water management, electricity, education, and food security. It reinforced the importance of continued collaboration to strengthen ACS's vision of providing quality education alongside moral and spiritual development for underprivileged children.

Free Eye Medical Camp

On August 31, 2024, ACS, in collaboration with Sight Relief, held a Free Eye Medical Camp at Julian Campus. The camp served 310 patients, provided 150 free eyeglasses, essential medication, and referrals for surgeries at Al-Shifa Eye Trust Hospital. Alongside, sessions on *Shukar Guzari* (gratitude) and *Du'as* were conducted, with food distributed among children. The initiative was warmly welcomed by the community.

Forgiveness – Tarbiyah Theme

At ACS Pind Malkan Campus, the Tarbiyah theme of the month focused on Forgiveness.

Students engaged in activities and discussions designed to cultivate compassion, mercy, and empathy, in line with the teachings of Islam and the guidance of the Prophet ﷺ. Through these sessions, learners explored the importance of resolving conflicts, seeking Allah’s forgiveness, and fostering unity within their peer groups and families. The initiative aimed to nurture not only academic growth but also strong moral and spiritual character, enabling students to practice patience, kindness, and reconciliation in daily life.

Independence Day Assemblies

ACS campuses celebrated Independence Day with special assemblies featuring soulful recitations from the Qur’an, impactful student performances, historical briefings, and closing with a heartfelt recitation of the National Anthem. These activities instilled a sense of patriotism and appreciation for the country’s rich heritage among students.

Field Trips

ACS students across Pakistan participated in educational field trips to parks and historical sites, engaging in outdoor activities that fostered teamwork, observation skills, and environmental responsibility. One highlight was a visit to the Army Museum, Lahore, where students gained insight into Pakistan’s independence movement and the sacrifices of our forefathers. The trips combined fun, learning, and responsibility, making them memorable and enriching experiences for all participants.

QUALITY & TRAINING

Quality Assurance

To ensure the highest standards of education, we implement rigorous quality assurance measures:

- **Head Office Team's Visits:** Campus observations are conducted twice a year by the Head Office team.
- **Monthly Evaluations:** The Regional Office team performs monthly campus evaluations.
- **Bimonthly Lesson Reviews:** Lesson observations are carried out every two months by the Head Office and Schools Coordinator.
- **Ongoing Monitoring:** Principals continuously observe classroom activities.
- **Principal Evaluations:** The Schools Coordinator and Head Office also evaluate the performance of Principals.

Staff Training

We recognize that well-trained staff are essential to our success. Throughout the year, we provided various training opportunities, including:

- **Subject-Specific Training:** For effective yearly planning and curriculum development.
- **Media Coverage Training:** To enhance skills in capturing and presenting events professionally in line with organizational policies.
- **Tajweed Training:** To introduce interactive teaching methods for effective teaching of Tajweed.
- **Orientation Sessions:** conducted at the Head Office and in ACS campuses in Lahore on essential topics including vision, mission, and core values of ACS.
- **Induction Training:** For new staff at the beginning of the session.
- **Classroom Management Training:** To improve classroom dynamics and teaching effectiveness.

TARBIYAH AT ACS

At ACS, Tarbiyah programs are integrated into all aspects of school life to nurture moral development and character-building.

Students: Bimonthly Tarbiyah themes and practical activities are embedded into daily routines, with Salah practiced regularly across campuses.

Mothers: Recognizing the importance of parental guidance, mothers participate in Fahm al-Qur'an courses, receive weekly Hadith messages, and attend assorted lectures on topics such as the importance of Ramadan and Eid Sunnahs.

Staff: Teachers have completed the Fahm al-Qur'an course and continue learning Islamic morals through the Husna-e-Ikhlaq course in weekly sessions. Bi-monthly Tarbiyah themes are also observed by staff, fostering a holistic environment of Islamic learning and practice for the entire ACS community.

Staff Certificate Distribution

On June 7, 2024, ACS conducted the Staff **Tarbiyah Program Certificate Distribution** for participants who successfully completed the book Husn-e-Akhlaq. This milestone reflects our staff's commitment to personal, professional and spiritual development under the guidance of esteemed course in-charges.

The program has enhanced understanding and practice of beautiful character traits, positively influencing teaching methods and fostering a nurturing and positive learning environment. The enthusiastic response from staff underscores the transformative impact of the course on both their personal growth and classroom engagement.

گلیوں سے کلاس روم تک... میرا سفر

نہ کتاب تھی نہ کوئی خواب۔
میرا دن گلیوں میں بے مقصد گھومتے ہوئے گزر جاتا۔

تعلیم؟ وہ تو گویا ایک خواب تھا میرے لیے۔
پھر کسی نے امی کو 'الہدیٰ کمیونٹی سکولز' کے بارے میں بتایا۔
اور آج میں ACS میں پانچویں جماعت کا طالب علم ہوں۔
قرآن کی تعلیم بھی حاصل کر رہا ہوں۔ ہمیں کتابیں،
کاپیاں اور یونیفارم مفت دئیے جاتے ہیں۔

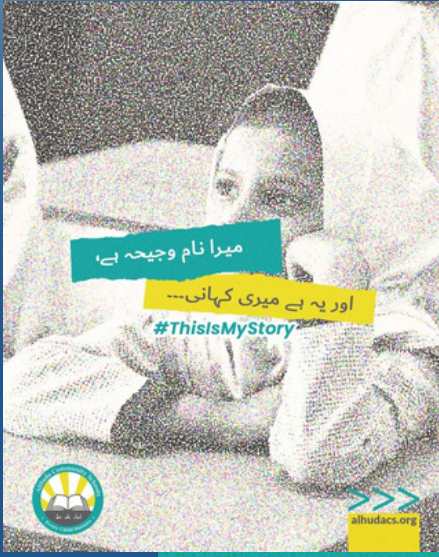

اب پڑھائی ممکن اور آسان ہو گئی ہے، الحمد للہ۔
شام کو میں ایک دکان پر کام بھی کرتا ہوں۔
اب دل میں ایک روشنی ہے، امید ہے۔۔۔
کہ میرا کل، میرے آج سے بہتر ہو گا، ان شاء اللہ!

غربت کے سائے... تعلیم کی روشنی

میں 'الہدیٰ کمیونٹی اسکولز' میں جماعت چہارم کی طالبہ ہوں۔ ہم تین بہن بھائی اسی اسکول میں مفت تعلیم حاصل کر رہے ہیں۔ ہمارے والدین کے لیے تعلیمی اخراجات برداشت کرنا ممکن نہیں۔

ہفتے اور اتوار کے روز جب اسکول کی چھٹی ہوتی ہے، میں اپنی امی کے ساتھ گھروں کی صفائی کرنے جاتی ہوں۔ برتن دھونا، جھاڑو لگانا... یہ سب میرے لیے نیا نہیں۔ لیکن اب، اسکول جانا میری زندگی کا ایک خوبصورت حصہ بن چکا ہے۔

الحمدلہ! ACS نے ہمارا تعلیم کا خواب پورا کیا اور بہتر مستقبل کی راہ دکھائی۔

چھوٹے قدم، بڑے خواب...

میں 'الہدیٰ کمیونٹی اسکولز' میں جماعت چہارم کا طالب علم ہوں۔ میرے بہن بھائی بھی اسی اسکول میں پڑھتے ہیں۔

گھر کا خرچ پورا کرنے کے لیے، اسکول کے بعد میں سبزی کی دکان پر کام کرتا ہوں۔ بدلے میں کچھ سبزیاں ملتی ہیں، جن سے تھوڑا بہت گزارا ہو جاتا ہے۔

الحمدلہ! ACS کی بدولت، ہمیں مفت تعلیم، کتابیں، یونیفارم اور ڈھیر سارا حوصلہ ملتا ہے۔

ان شاء اللہ! ایک دن میں پڑھ لکھ کر اس قابل بنوں گا کہ دوسروں کی مدد کرسکوں۔
